NAZCA Wooden Pool

- **Utilises your outdoor space**
Three models to choose from that fit neatly into any corner making the most of your outdoor space.
- **Built to last with sustainable materials**
Precision cut from carefully selected timber, before being pressure-treated to protect against decay, fungal and insect attack.
- **Multi-purpose pool**
Can be converted to an exercise pool, by adding a counter current system or used as a conventional pool for the family.
- **Easy installation**
Can be installed above-ground or in-ground. Installation typically takes a couple of days.
- **Great value for money**
An affordable quality wooden pool, supplied and fitted for less than the price of a family holiday!
- **Enhances your garden**
The natural wood structure is aesthetically pleasing and is guaranteed to blend beautifully into your garden landscape.
- **Safety Pool Cover**
The optional Nazca safety cover is a manually operated tracked safety cover that has been developed to fit our 4m x 2m and 8m x 2m Nazca wooden pools.
- **10 Year Pro-rata warranty**
Plastica give a 10 year parts only warranty to the timber structure. Terms & Conditions apply.

New for 2022

NAZCA Safety Cover shown fitted to the 4 x 2m Pool. Only compatible with this model and the 8 x 2m Lap Pool.

All NAZCA pools come with Structure Kits which contain the following:

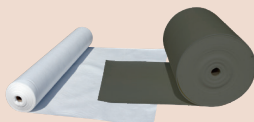

A robust timber structure - Using 44mm pressure treated redwood timber, which is all selected from renewable sources. Included are all necessary timber supports and fixings, along with an external wooden ladder and internal Stainless Steel ladder.

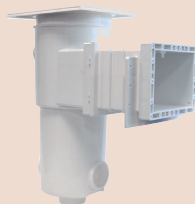

Metal braces - All pools that require metal braces are included in the structure kit. These are cleverly boxed in to keep the wonderful timber aesthetics.

Wooden Pool Ladder - All Nazca wooden structure kits now contain our new removable stainless steel ladder, making tailor made covers simple to use.

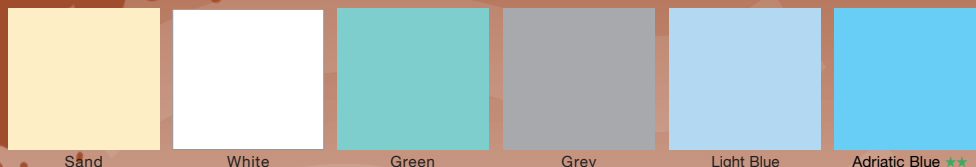

Foam and Felt underlay - Giving our tailored liners a beautiful soft touch as well as added protection, complete with spray adhesive and underlay tape.

White Goods Kit - Endurance skimmers embody the latest in technological innovation to guarantee reliability and quality.

Just add your choice of Pool Liner from our range!
